

Well London

www.london.gov.uk/welllondon

Well London is funded by the Big Lottery Fund. The aim is to work with local people to improve the health and wellbeing of Londoners in 20 neighbourhoods.

Well London is a partnership between seven organisations. Together they form the Well London Alliance.

- London Health Commission
- Central YMCA
- Groundwork London
- London Sustainability Exchange
- University of East London
- Arts Council England, London
- South London and Maudsley NHS Trust

Well London is all about feeling and being well, in mind and body. There are many aspects of our lives that influence how well we feel, that's why Well London focuses on the following themes:

- Healthy eating
- Physical activity
- Arts & Culture
- Open spaces
- Mental Wellbeing

There's a range of unique Well London events and activities taking place in your area, now and in the future. Just some of the activities taking place across London include: gardening and food growing, community feasts, sports sessions, and dance and art projects. All of the Well London activities are free and everyone is welcome.

There are also opportunities for local people to access free training and to volunteer. It's all about getting out, meeting people and having a good time.
